

Your Voice, Your Choice **LEARNING UNITS**

What is the Focus of Learning?

To develop an understanding around:

- The importance of participation
- Representation in government

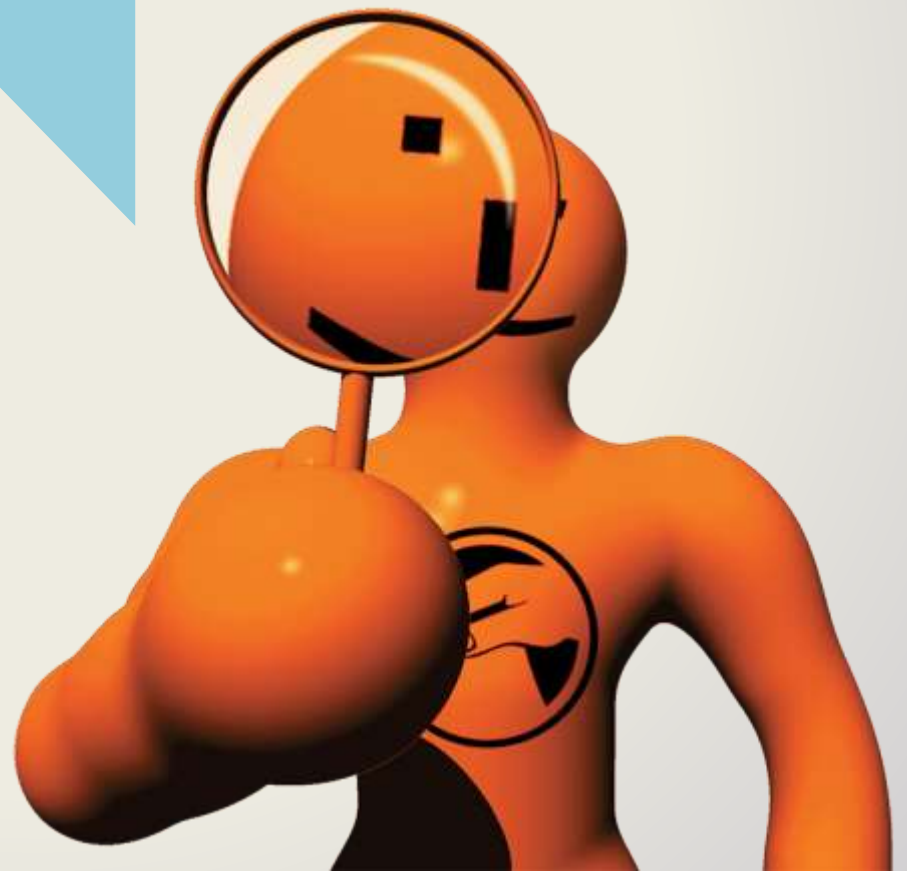

FOR WHO?

The learner

The learner's whanau / family

The learner's community

What concerns you in
your community?

Concepts?

Continuum?

People have a lot of power to change issues that affect our community

Voting in elections means my voice is represented in government

I have the power to help address community issues by participating in government

Debate?

I have the power to change
issues by voting in elections
