

Richmond Community Gardens Riverlution Learning Day

Hazel Weaving - Saturday 13th, 10.30 AM - 2.30PM

Discover the ancient art of weaving with locally harvested sticks in our upcoming beginner's workshop! Join us for a hands-on experience as we guide you through crafting a sturdy and charming fence around your raised garden beds.

What to Expect:

Whittle and shape stakes from locally sourced sticks like hazel, willow, and more.

Prepare hazelnut suckers for weaving.

Learn essential weaving techniques and skills.

Enjoy a cozy break with soul-warming soup & bread.

Investment: \$20 (Pre-registration required)

Pre-register at admin@richmondcommunitygarden.co.nz

Our skilled team has imbibed invaluable knowledge from Rekindle, ensuring you receive expert guidance and insider tips throughout the workshop. Plus, you'll be led by the talented Richmond Community Garden Trustees and our passionate volunteer team, making this experience truly special.

Weather Advisory: Workshop will be postponed in case of wet conditions.

Air Layering + Grafting Zero Waste Workshop - Saturday September 13th 10.30 AM - 12.30PM

Air Layering and Grafting Workshop with Inga from the Foraging and Growing Corner - Grow Your Own Trees from Existing Ones!

Discover incredible techniques of air layering and grafting, where you can create a whole new tree from a branch you might have pruned anyway. This workshop is perfect for all levels, including absolute beginners, and I'll explain these high-end gardening techniques in a simple, engaging way with plenty of humor. Plus, I'll share my favorite zero-waste methods—no unnecessary plastic here!

This workshop is all about providing you with a wealth of information in a fun, encouraging environment where all questions are welcome. You'll leave with practical skills to transform your gardening practice.

Please check my foraging and growing corner and Richmond community gardens pages for more upcoming workshops please register and put them in your calendars with a 3 days in advance reminder. Thank you for

that
